**DAY**

**A REMINDER OF OUR RESPONSIBILITY TO...**

## MAKE THE WORLD BETTER!

*18 July, marks International Mandela Day, a day that speaks out for justice!*

*The day commemorates former statesman – President Nelson Rolihlahla Mandela's 67 years in service of humanity, his efforts and seamless ability to effect positive change for the benefit of others.*

Quite appropriately, Palabora Mining Company and its contractors, displayed tremendous capacity joining hands and stepping out in unity - giving back dignity to the less fortunate within our host communities by provisioning the most basic of services because the best solutions to our challenges can only be found when we work together.

Mandela Day is a stern reminder of our personal responsibility and ABILITY to make the world better! PMC teams dedicated the 18th & 19th of July to serving others and on both days, they visited local Non-Profit Organizations - either donating clothes, cooking nutritious meals, or providing the beneficiaries with food parcels.

As long as poverty, injustice and gross inequality persists in our world, none of us must rest. "Ubuntu" is a practice that is triggered by a heart that has compassion for others. Therefore, government cannot meet all of society's challenges by itself. It requires of us all to pull together as partners and bring about the necessary desired changes in society.

## Editor's Comments

Exciting times are on the horizon, with PMC Best Employee teams offered an opportunity to travel to China for various trainings.

Equally exciting is witnessing the entire globe gear up annually to commemorate President Nelson Mandela's legacy of Humanity & SERVICE on Mandela Day!

**Happy Mandela Day!!!**

# Palabora Mining Company takes part in Inter-Mines Sports Tournament

PMC Netball and Soccer Teams, recently participated in the Top Eight Sports Tournament alongside other mining houses from across South Africa on Saturday the 13th of July 2024.

The renowned inter-mines tournament was hosted at Hoërskool Hugenote in Springs Gauteng and

attracted various mines from different provinces across the country namely: Gauteng, Limpopo, North-west and Mpumalanga.

The main objective of the tournament is to foster camaraderie amongst mining employees, create opportunity for diverse networking and meaningful relationship building.

Furthermore, the event also aims to promote physical and mental well-being as well as practicing a healthy work-life balance.

“This event is more than just a sporting event, it’s a

celebration of unity, diversity, and success in the mining sector. Moreover, it honors June as a mental health awareness month”. Mike Makwala, from PMC sports.

**The soccer and netball team would like to convey their deepest gratitude and appreciation to the business and the management for their support.**
